# Florida Courts Help

On any device, anywhere you are, help is available if you are representing yourself in court.

Florida Courts Help has information about local self-help centers, free and low-cost legal aid, family law forms, answers to common questions, and tips on what to expect.

## Download at app stores.

---

**Getting Started:** Five steps to begin. Learn what to do and where to go to represent yourself.

**Find a Form:** 186 Florida Supreme Court-approved family law forms, including divorce, adoption, custody, child support, orders of protection, and more.

**Understanding the Process:** Easy instructions about how a case moves through court.

**Helpful Videos:** Family law topics and the court system.

**Find a Court:** By county or judicial circuit, links to every court website.

**Self-Help Centers:** Family Court Services and Self-Help Centers near you for limited one-on-one assistance.

**Legal Terms:** Definitions for terms often found in family law forms.

**Legal Resource Help:** Online resources including free and low-cost legal services, lawyer referrals and more.

**Filing Forms:** Instructions for filing completed forms electronically or in person.
